

Seishinkan International & Suishinkan Present:

MARTIAL TACTICAL

WAY BEYOND MARTIAL "ARTS"

*Reality based modern tactical
response training for civilian
personal protection.*

WHAT: A one day, two hour, hands-on introduction to reality based professional personal protection training designed for private citizens. Participants will learn the basic fundamentals of armed and unarmed tactical solutions geared towards the controlling of personal assaults. Tactics and techniques covered will include applications of recommended modern daily carry items and their unarmed equivalents. These modern protection technologies are taught to Military and Law Enforcement Officers and are now available to the general public only through this specialized training seminar. This is a must attend event for everyone with a CPL / CCW in Michigan. Note: do not confuse or compare this elite type of training with common self-defense or martial "arts" methods.
